## Bring on the “WOW” factor

H2O Entertainment was formed in 1986 and for the past 23 years has produced world class water based productions around the globe. H2O designs and produces all their own shows with particular emphasis on safety and quality.

Since its inception, Jack Ellison H2O Entertainment as exploded onto the entertainment scene with ideas that are bigger than life. H2O attribute their success to the unbridled energy and imagination of the company’s owner Jack Ellison and his dedicated team of creative talent, which consists of World Champions and Professional Entertainers handpicked from around the World.

H2O Entertainment is proud to be the leaders in the world with cutting edge technology in combining high speed jet skis and live action water performers with fireworks and lasers in multimedia action productions.
